Sorry, sorry! The Monday meeting with Carol Campbell was requested by her to be briefed by her staff (ie, Kathy).

We will send a hot topic today, and if folks want a briefing we'd be happy to put it together.

Ladies, the team's working on the prebriefing materials Kathy drafted yesterday and will be in touch soon. We're also working on a new hot topic but in the meantime, here's the one the team circulated b/f memorial day:

HOT TOPIC Park City 4_18.doc

I don't know how early it should be done, but would you please invite any senior (Gaydosh/Kercher?) you think should attend these and let them know the hot topic/briefing paper will be coming asap? Here are the mtg times:
